## SAILING INSTRUCTIONS

1. **RULES.** Racing will be governed by the *RULES* as defined in the *RACING RULES OF SAILING*.
2. **NOTICES TO COMPETITORS & CHANGES TO THESE INSTRUCTIONS.**
  - 2.1 Notices to competitors will be posted on the Official Notice Board at WYC.
  - 2.2 Any Sailing Instruction change will be posted at least 2 hours before the race where it takes effect. A change to the race schedule will be posted at least 2 hours before the race that precedes a change in the schedule.
  - 2.3 The RC may alter these Sailing Instructions by hail after displaying code flag “L” with one sound in the racing area.
3. **SIGNALS MADE ASHORE.**
  - 3.1 When flag “AP” is displayed ashore, “one minute” is replaced with “not less than 45 minutes” in the race signal AP. Two sounds.
  - 3.2 Flag “AP” displayed ashore over flag “C” with two sounds means scheduled racing is cancelled and a Heavy Air Cup race will be sailed with a warning no earlier than 60 minutes after the signal. All boats start together using PHRF handicapping.
4. **SPECIAL SIGNALS MADE IN THE RACING AREA.**

Flag “AP” over “C” means the race is cancelled. Heavy Air Cup Race to be sailed as in Instruction 3.2. Warning no earlier than 5 minutes after the signal. One start, PHRF handicapping.
5. **SCHEDULE OF RACES.** The schedule of races is attached. Notwithstanding, a special Heavy Air Cup may be substituted for a scheduled race at the RC’s discretion.
6. **CLASS FLAGS.** MORC and PHRF boats shall display (9” square minimum) colored flags: (MORC I, Orange) (MORC II, Blue) (MORC III, Black) (PHRF I, Green) (PHRF II, Yellow).
7. **RACING AREAS.** The racing areas are as shown in **Illustration “A”**, attached.
8. **THE COURSES.**
  - 8.1 The course for each Class will be displayed on the start-line RC Boat. **Illustration “A”** shows the Big Island and Commodore Cup courses. The Burton Cup course is similar to the Commodore Cup course except the start/finish line will be near MYC. **Illustration “B”** shows the layout for, and lists windward/leeward and triangle-based courses. **Illustration “C”** shows the layout for, and lists trapezoid-based courses.
  - 8.2 All marks are left to port in course racing except that when passing through a leeward gate boats have the option of leaving the starboard-hand gate mark to starboard, or the port-hand gate mark to port. The RC will designate before the start the side marks and islands are to be left in Commodore Cup, Burton Cup and Big Island racing.
  - 8.3 When a leeward gate and “S” Mark are not set in windward/leeward and triangle-based racing, all boats shall use Mark 3 (designated L2 in Illustration B) as the leeward mark In this event Mark 3 (aka L2) replaces the “S” and “Gate” in the course descriptions on Illustration B.

## 9. MARKS.

- 9.1 Marks will be red, orange, yellow or green spheres or tetrahedrons for triangle-based courses. Marks will be orange tetrahedrons on the right (RW and RL) and yellow spheres on the left (LW and LL) on trapezoid layouts. An offset mark may be set adjacent to a windward mark - and is a mark of the course to be rounded to port after rounding the windward mark. When a mark is changed, the new mark may have different shape and/or color.
- 9.2 When a leeward gate is set, the RC will set an additional leeward mark, designated the **S Mark** in Illustration B, windward of the gate. Boats shall round the “S Mark” when the designated course requires rounding the S mark.
- 9.3 The RC may set windward finish lines at windward marks, or may set finish lines at a new mark set upwind of the windward mark. An original windward mark is not a mark of the course for boats required to sail to a finish line set upwind of the original windward mark.
- 9.4 All government navigation buoys are marks of the course and shall be passed on the side farthest from the nearest shore. “SLOW” buoys at channels are not marks of the course.

## 10. THE START.

- 10.1 Starts follow the sequences printed on the front page with the signals and timing shown. Except for boats in the first start, the Preparatory & Start signals for a start are the Warning & Preparatory signals for boats in the next start. “.00” time on the front page corresponds to the time shown in the schedule of races. This instruction, and the chart on the front page, change RRS 26.
- 10.2 The starting line will be between a staff displaying an Orange Flag on an RC boat and Mark L2. Mark L1 (gate mark, when used) may or may not be positioned before the start. RRS 27.2 is changed to allow the RC to adjust the start line at any time.
- 10.3 The “round-an-end” rule described in RRS 30.1 shall be in effect for all starts. Code flag “I” will not be displayed. This changes RRS 30.1.
- 10.4 **The Starting Zone:** The start zone is a rectangle formed by the starting line plus 200-foot extensions in each direction, then 200 feet back on the pre-start side from the ends of the extensions of the start line. From the time the RC displays the line flag and until a boat’s preparatory signal, a boat shall not sail on port tack (or motor that direction) closer than 2 boat lengths to the stern of the RC boat—and shall keep clear of all boats in the starting zone that are racing.
- 10.5 **Individual Recalls:** When signaling an individual recall the RC may hail (and may announce via radio) the sail number(s) of boat(s) being recalled.
- 10.6 **General Recalls:** No sound signal will be made when lowering First Substitute after a General Recall. A class recalled shall go to the end of the start sequence and start 3 minutes after the last class (or previously recalled class) has started. This changes RRS 29.2.

## 11. CHANGE OF A COURSE.

- 11.1 When changing the direction of a leg of the course, the RC is permitted to repeatedly hail the compass bearing to the new mark instead of displaying a bearing or colored flags.
- 11.2 The RC may announce a change of course or the shortening of a course via hail, and may also announce changes on VHF Channel 68. Listen for hail of affected classes.

11.3 RRS 33(b) is deleted.

11.4 Instructions 11.1 through 11.3 change RRS 33.

**12. CANCELLATION.** Racing will be cancelled at the discretion of the RC for low/no wind, for wind gusts in excess of 26 knots, and/or as permitted by RRS 32.1.

**13. THE FINISH.**

13.1 The finish line will be between a staff displaying an Orange flag/shape on a RC Boat and a nearby mark. A windward finish may be at a windward mark or at a new mark set upwind of the windward mark. The original windward mark is not a mark of the course when sailing to a finish line set upwind of that mark.

13.2 When finishes are to leeward and a gate is set, the finish will be between a staff displaying an orange flag on a RC boat and the gate mark closest to the RC boat. The gate mark farthest from the RC boat is not a mark of the course when sailing to a leeward finish. This changes RRS 32.2(c).

13.3 A boat still racing (needing additional legs to complete her course) that is inadvertently or prematurely signaled as finishing shall continue to race and shall notify the RC after finishing.

**14. TIME LIMIT.** Burton Cup and Commodore Cup races have a 5-hour time limit. All other races have a 2-½ hour time limit, except when the RC shortens to 2 hours per RRS 32. A boat not finishing within 45 minutes of the first boat in her class to finish, or within the time limit (whichever is later), or by sunset shall be scored one point more than the number of boats that do finish (TLE). The RC will use GPS time for sunset. This changes RRS 35, 90.3(a) and A9.

**15. PROTESTS AND ARBITRATION.**

**15.1 Initial Requirements**

15.1.1 A boat protesting another boat shall, after finishing, tell the finish-line RC boat what boat is being protested. This change adds to RRS 61 but does not change RRS 61.1(a)(3). Wait to hail while the RC is finishing other boats. A hail via radio is not permitted or valid under this instruction. See Instruction 18.2.

15.1.2 Boats less than 6 meters LOA shall display a red flag per RRS 61.1(a) when protesting. This changes RRS 61.1(a)(2).

15.1.3 The time limit for filing a protest is one hour after the RC boat docks following the last race of the day.

15.1.4 A protest is not valid when Instructions 15.1.1 through 15.1.3 are not followed and the Protest Committee will refuse to hear it under RRS 63.5.

**15.2 Arbitration**

15.2.1 Arbitration of protests alleging Part 2 Rule violations will be available to the parties immediately after the race where the incident occurred. After completing the protest form the protestor may call the cell phone of an arbitrator (No answer? Try another?) listed on the protest box – or personally find an arbitrator. The protestor shall then contact a representative of the protested boat and both shall meet with the arbitrator as soon as possible that afternoon/evening. No witnesses are permitted in arbitration hearings.

15.2.2 When the protesting party does not contact an arbitrator, or when both parties do not meet with the arbitrator as instructed, or when the arbitrator is unable to decide an issue, or when the representatives of boats do not accept the arbitrator’s ruling, the issue will be referred to a protest committee hearing. Once concluded an arbitration hearing shall not be reopened for any reason.

15.2.3 When an arbitrator’s penalty ruling is accepted by the parties, a penalized boat shall receive a penalty of 2 points, or a 20% penalty [calculated as described in RRS 44.2(c)], whichever is greater. Accepting a penalty in arbitration is voluntary and cannot be grounds for redress or be appealed.

**15.3 Protest Hearings**

15.3.1 Protests will be heard after the race (or cancelled race) on the Sunday following unsuccessful or non-attended arbitration (except regattas = same day, both hearings). Protest hearings may be re-scheduled by the PC or by a reasonable request from a party.

15.3.2 The time for a protest hearing will be posted on the Official Notice Board. The hearing will take place in, or near, the WYC Clubhouse.

15.3.3 A party to a protest hearing desiring to call witnesses shall assemble witnesses nearby prior to the hearing. Witnesses not immediately available when called for testimony will not be heard.

**16. SCORING.**

16.1 As permitted by RRS A2, boats may exclude one or more race scores from final series results according to the following table based on the number of races completed in a series.

<b>Completed</b>	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18
<b>Counted</b>	1	2	3	3	4	4	5	5	6	7	8	8	9	10	11	11	12	12

16.2 The first sentence of RRS A4.2 is deleted. Regattas will be scored per Rule A9. For purposes of RRS A9 (only), the “number of boats entered” shall be the total number of boats of a class/division that came to at least one race of that series or regatta. This changes RRS A4.2, 90 and A9.

16.3 A boat failing to finish within the time limit shall be scored one point more than the number of boats in her Class that do finish within the time limit (TLE). This changes RRS A9.

16.4 A boat that comes to the starting area intending to race, but does not start, or starts but does not finish, may ask her Fleet Captain to change her score from DNC to DNF or DNS provided she makes the request by 6:00 PM on the 5th day following the race date. A DNC score shall not be changed when the request is made beyond this time limit.

**17. HAUL OUT RESTRICTIONS - None.**

## **18. RADIO COMMUNICATIONS.**

- 18.1 The RC may make periodic hails before and during racing on VHF Channel 68. The RC may hail premature starters (OCS) and may announce a change of course or a shortening of course on Channel 68.
- 18.2 Boats may monitor VHF Channel 68 before and during racing but shall not make any radio transmission (except for emergency) from the time the RC displays the line flag before the start and until all boats/all classes have finished racing. Protest notifications and other hails to the RC boat shall be made via boat-to-boat voice hails, never by radio.
- 18.3 A racing member of the RC may contact the signal boat via radio, but only to discuss wind/weather conditions related to course set-up, starting, postponing or canceling races.

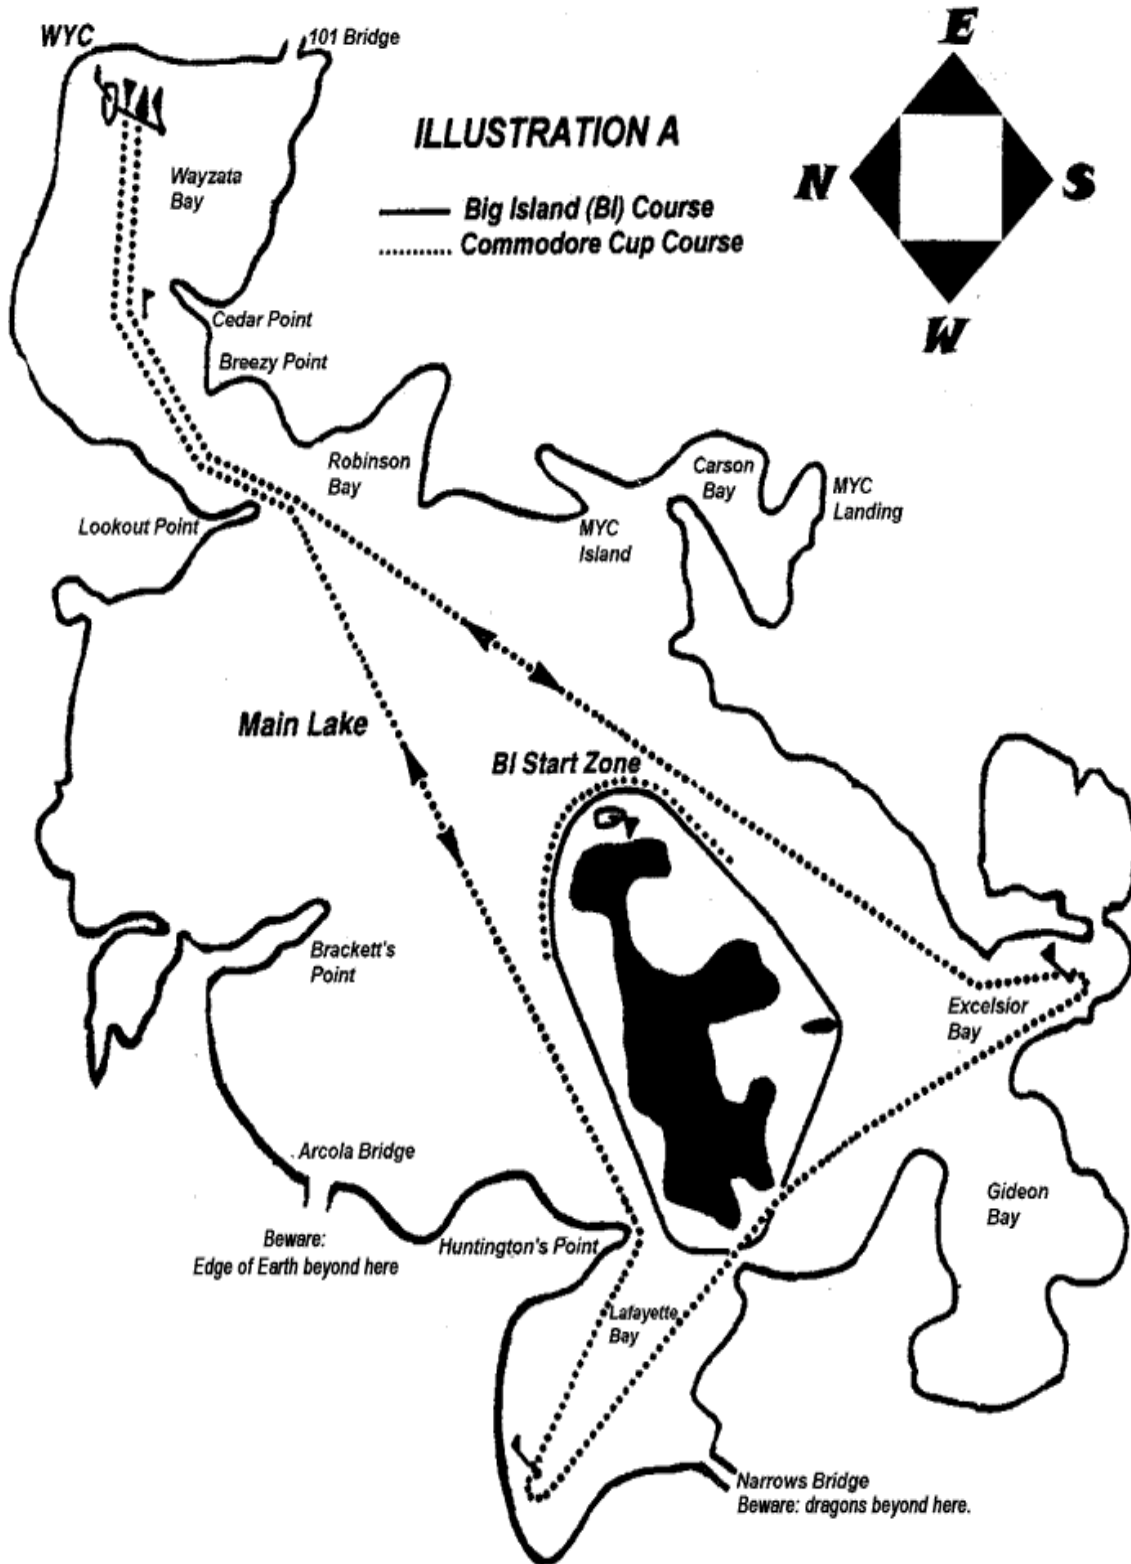

## **19. PRIZES.**

- 19.1 Prizes will be awarded for each series or cup race based on the average number of competitors in each fleet/division. One prize for 4 or fewer competitors, two for 5 or 6, three for 7-11, four for 12-15 or 5 for 16 or more average number of competitors. Prizes for Heavy Air Cup races may be awarded at the discretion of the Race Committee.
- 19.2 A participation prize will be awarded to each boat that (A) wins a prize; or (B) finishes the minimum number of counted races in the Championship Series or the Sunset Series; or (C) whose number of completed races plus ATT points total at least 25 in the races/series listed in Instruction 19.3, plus the Big Island Series, Women's races, all MYC J22 Fleet #1 Championship races and regattas, the U-Gotta regatta and other events involving WYC Class boats on Lake Minnetonka.
- 19.3 The Boat of The Year Trophy is awarded to the boat with the most B-O-Y points for 1st place finishes in the following Series and Cup races: A-B-C-G-T-M & Fall Regatta, plus Burton, Commodore and Frostbite Cups. B-O-Y points are awarded to first place finishers in each qualified race, as follows: 4 points for fleet participation of 10 or more boats in the race; 3.9 points for 9 boats; 3.7 points for 8 boats; 3 points for 6-7 boats; 2.5 points for 5 boats; 1.9 points for 4 boats; 1.2 points for 3 boats; 0.4 points for 2 boats; zero points for 1 boat.

## **Special Sailing Instruction “A”**

Foul Language is prohibited during WYC Races. Any boat emitting Foul Language loud enough to be heard by another person, regardless at whom the Foul Language was directed, shall be subject to protest, a special arbitration hearing and possible penalties. Any boat may protest another boat from which it heard foul language. On the first offense in arbitration, the penalty is a WARNING except when the incident is considered by the arbitrator to be egregious. Egregious incidences may be immediately referred to the full protest committee for a hearing under RRS #2 or #69 with all penalties available. Upon a second offense an arbitrator may rule a 20% penalty (minimum of a 2 places). If a second incident is deemed serious, the arbitrator may rule a DSQ. If the penalized boat does not accept the Arbitrator’s ruling, the incident shall be referred to the Protest Committee for a hearing. An egregious incident, or subsequent incidents by the same boat, will be subject to immediate referral to the Protest Committee without arbitration. Repeated incidents may be judged to be a gross breach of good manners and sportsmanship under RRS 69. When a boat declines to attend the arbitration hearing, the incident shall be referred to the Protest Committee. A protest for foul language shall cite this Sailing Instruction (Special SI “A”) as the alleged rule infringed on the Protest Form. When an incident is referred to the Protest Committee, the protestor shall change the rule infringed to read RRS #2.

# SIGNALS

## Answering Pennant – Postponement Signal

- a) When given ashore, no race will be started before 45 minutes after the flag is lowered. 2 sound signals when raised, one sound signal when lowered.
- b) When given on the water, races not started are postponed. Warning signal will be made after AP is lowered. Sounds signals as above.

**RED/WHITE**

- C** A mark of the course has been moved. An accompanying **Green** flag says the new mark is right of the original mark's position, an accompanying **Red** flag says the new mark is left of the original mark's position. Repetitive sound signals.

**BLUE/WHITE/RED/WHITE/BLUE**

## L

- a) When displayed ashore: a notice to competitors has been posted on the notice board. No sounds ashore, nor on the water.
- b) When display on the water: "Come within hail" or "Follow me."

**YELLOW/BLACK**

- N OVER A** Abandonment signal. "All races are abandoned for the day."

3 sound signals.

**BLUE/WHITE** over **WHITE/BLUE**

- AP OVER C** All scheduled races are cancelled. A special "Heavy Air Cup" race will be held. All boats start together. Boats must be registered with the PRO a minimum of six days prior to participation. 3 sound signals.

**RED/WHITE** over **BLUE/WHITE/RED/WHITE/BLUE**

## S Shorten Course:

- a) Before start sequence: "Time limit has been shortened to 2 hours, shorter legs." 2 sound signals before initial warning signal.
- b) During race: "At least one Class has its course shortened to finish between RC boat and mark of the course." Repeated hails.

**WHITE/BLUE**

## X Individual Recall:

Broken out immediately after the start signal and accompanied by one sound signal. The Race Committee may attempt to hail each boat being recalled. Flag is displayed until all boats are on the pre-start side of the line, or for 2 minutes, whichever is earlier.

**WHITE/BLUE**

**FIRST SUBSTITUTE – GENERAL RECALL:** The class is recalled for a new start.

The class recalled will go to the end of the starting order and start 3 minutes after the last class has started. 2 sound signals. The signal will be lowered one minute before the start of the next class.

**YELLOW/BLUE**
